Hey Ylan,

After looking at it, I actually made a ton of changes (mainly stylistic). Would you mind looking at it and providing any thoughts?

Thanks,

Thomas

Hi Ylan, are you looking at/planning to comment on this? I read it and think it's pretty good, but had a couple of thoughts. I don't want to bother adding them, however, if you are planning to work on it too. LMK. Thanks.

PV Shelf/Drum Disposal team,

Here's a draft response for your review. After incorporating any comments, I will share with John Lyons and Enrique. At some point I will also share the basic language with NOAA and DOI. NOAA received a similar letter and I've already commented on their draft language to ensure consistency in our federal responses.

Thanks,

John

Hi John and Angeles,

Today's letter from Senator Feinstein regarding the status of DDT cleanup in the PV Shelf has been controlled to the Region for RA signature. The due date is **Monday, March 22, 2021**. Please let me know who in SEMD will lead drafting the response so I can fill out and share the routing slip.

Thank you,
